TRIA O AGENTE

La vida  
que vive el pueblo cubano  
es la vida que vive el mundo  
de la mano de la revolución  
y el pueblo cubano  
es el pueblo que vive  
de la mano de la revolución  
y el pueblo cubano

Fragment of an ancient manuscript, likely a palm leaf, showing two lines of text in a highly stylized, possibly Indic script. The text is densely packed and appears to be a continuous passage. The leaf is dark and shows signs of wear and discoloration.

A man with dark hair and a serious expression is seated in a dark leather chair. He is wearing a black leather motorcycle jacket over a light-colored, button-down shirt. The background is dark and textured, possibly a cave or a forest interior. The lighting is dramatic, highlighting the textures of the leather and the man's features.
